DISCLAIMER / DISCHARGE OF LIABILITY

1. CONDITIONS OF USE

- 1.1. All rights are reserved. No part of this Disclaimer / Discharge of liability can be used or reproduced in any form without the permission of Pantecnica S.p.A. (hereinafter referred to as "**Pantecnica**[®]").
- 1.2. Pantecnica[®] cannot be held liable for any kind of liability or warranty requests related to the content of the present Disclaimer or the description of its own Products contained in the use and maintenance manuals, website, presentations, brochures, technical catalogues, technical data sheets or in any case the technical specifications of its own Products wherever indicated.
- 1.3. Any invalidity or ineffectiveness of one or more clauses of this Disclaimer shall not affect the validity and effectiveness of the other provisions.
- 1.4. In the aforementioned hypothesis, any invalid or ineffective provision or clause will be replaced with another valid and effective provision that achieves, as much as possible, the same results and intent of Pantecnica[®].

2. INFORMATION REGARDING THE CONTENT OF PANTECNICA[®] WEBSITE

- 2.1. All the elements that describe and compose the Pantecnica[®] website accessible online (hereafter the "**Site**"), including manuals, descriptions, trademarks, logos and information, and also, without limitation, technical specifications, texts, software, photographs, videos, graphics (hereinafter the "**Documentation**"), are protected by Italian and International laws and they must not be copied nor counterfeited, even partially.
- 2.2. The information contained on the Site have a merely indicative content, therefore, Pantecnica[®] does not assume any responsibility, neither express nor implicit, of any kind with regard to the completeness and accuracy of any type of information contained in and / or reported by the Site.
- 2.3. Unless otherwise specified, the Documentation contained in the Site may be used solely and exclusively for information purposes and not for any reason whatsoever related to technical nor commercial purposes, and must not be reproduced or copied or published on any kind of network or put into any other communication channels.
- 2.4. In all events, it is mandatory to indicate in an express, clear and visible manner, in each reproduction of the Documentation contained in the Site, the following wording: "*Copyright - all rights are reserved by Pantecnica S.p.A.*".
- 2.5. Pantecnica[®] hereby informs that it does not have any influence on the configuration and content of the pages linked to the Site through links, and does not guarantee the topicality, correctness, completeness and / or quality of the information contained therein.

3. CONDITION OF USE OF PANTECNICA[®] PRODUCTSS AND LIMITATION AND DISCHARGE OF LIABILITY

- 3.1. Pantecnica[®] informs anyone who intends to purchase its Products that their use is strictly linked to the utilization to which the purchaser intends to assign them.

- 3.2. It is therefore exclusively up to the Customer / User of Pantecnica[®] Products to examine with the utmost care and attention the Documentation present in the Site and therefore all the technical characteristics of each individual and specific Products of Pantecnica[®], indicated, in addition to this Site, in the presentations, brochures, technical catalogues, technical data sheets or in any case in the use, assembly and maintenance manuals and all other technical materials and documents prepared by Pantecnica[®], and to verify whether their use is compatible with the desired utilization, carrying out, under its own responsibility and at its own care and expenses, the necessary and appropriate controls, tests, verifications and, where appropriate, technical operation tests.
- 3.3. Pantecnica[®] Products might be subject to changes, without notice, by virtue of Pantecnica[®] continuous investments in technological R&D.
- 3.4. Any and all types of liability for any discrepancies related to the expected performance of Pantecnica[®] Products and / or their reduced capacity of use and / or for different performances - compared to those reported in the Documentation and in the illustrative materials and / or reduced capacity of use, due to an incorrect choice and / or assessment of the Customer / User concerning the compatibility of the technical characteristics of Pantecnica[®] Products with the desired use, will be the sole responsibility of the Customer / User.
- 3.5. Given the wide range of possible applications and operating conditions, together with the imponderable factors involved, even of a human nature, Pantecnica[®] does not give any express or implicit guarantee regarding the durability of the Products nor the success of the application. Any assistance or advice from Pantecnica[®] commercial and technical support in choosing the Products does not in any way derogate from the foregoing. For the above and in case of particular needs, the Customer / User is invited to perform adequate verification tests on the suitability of the Products for the specific application.
- 3.6. The limit values referred to the operating conditions are correlated with each other and must never be reached simultaneously. They are in close relationship both with the correct choice of the Products with respect to the specific application, and with its correct assembly.
- 3.7. It is the Customer / User's duty to carefully check the compatibility of the use of Pantecnica[®] Products with the requirements provided by national and international rules, technical prescriptions, standards and local customs, or imposed or suggested by particular or unusual conditions of use, being Pantecnica[®] exonerated from any kind of liability.
- 3.8. Furthermore, Pantecnica[®] declines any other liabilities for any kind of possible damage that could, directly or indirectly, derive to individuals or things, as a consequence of failure to comply with all the requirements set out in the Documentation and in the use, maintenance and assembly manuals.
- 3.9. The Customer / User must make sure, always and in advance, that he has understood the contents of the utilization, assembly and maintenance instructions. Failure to comply with such rules exempts Pantecnica[®] from any and all liability for damage to individuals and / or things.
- 3.10. The use of spare parts that are not original as well as not authorized by Pantecnica[®], modifications or even slight tampering exempt Pantecnica[®] from any liability relating to the use and operation of Pantecnica[®] Products and to the safety of individuals and/or things.

4. Registered trademarks and logos

- 4.1. Unless otherwise indicated, all trademarks and logos shown on the Site, on the Products Guide and on Pantecnica[®] Technical Catalogues are protected by national and international legislation, as well as Products names and emblems.
